Instructions

The Ph.D. Minor Form should be submitted after you have completed all of the coursework required for your minor. If you have any questions regarding the minor requirements, please reach out to the DGS of your minor department. Once your courses are complete, follow the below steps.

1. Fill out the form in its entirety, excepting the signature and date at the bottom.
2. Send the form to the DGS of your minor department for their signature.
3. Once signed, either the DGS of the minor department or the student needs to send the completed form to the Graduate Coordinator.
